#### **Neighborhood Works America – Financial Fitness Programs**

**Presented by a variety of groups in the Denver area**

**When & Where: Check website for groups offering Financial Fitness**

NeighborWorks® America, working with national partners, has developed a "Financial Fitness" program to help individuals and families develop sound money management skills. Financial-fitness education has become a critical tool in successful community development, given today's business climate of deregulated government institutions and increasingly complex financial services. On the website look for "Community Strategies – Financial Fitness". Visit our Website: [www.nw.org](http://www.nw.org)

### **Colorado Foreclosure Help Line**

#### **Colorado Foreclosure Hotline – 877-601-4673**

This toll free number will get you in contact with a housing counselor affiliated with a non-profit housing counseling agency. The counselors can assist you in finding information on dealing with foreclosure prevention.
